Dear Valued Patient,

You may have noticed the FOR SALE sign out front. ***The good news is that while the building is for sale, Sheboygan Family Eye Care is not going anywhere!***

Dr. Hamilton owns the building at 3144 Wilgus Avenue and as many of you know, she has had some health challenges which precipitated an early retirement. She is also trying to tie up some other loose ends including relinquishing ownership of this building.

We currently have a lease for this location and it is our intention to remain right here on Wilgus through the end of that lease and hopefully beyond. We expect the building to be sold to an investor who will be thrilled to have an established lease with a long-standing, respected, and well-established business like Sheboygan Family Eye Care.

At this time we are not entertaining the idea of moving and sincerely hope we do not have to do so. This is a great location and is convenient for our patients and staff. We will keep you posted if anything changes, but in the meantime, please help us squelch any rumors that we are closing or moving as those are just not true. Just as Dr. Hamilton and her father, Dr. Wall, did for several decades, we plan to be your vision care and eye health providers for many, many, many years.

If you have any questions, please reach out to our practice administrator, Karin Wille, at 920-894-2727, or the Sheboygan Family Eye Care Lead, Manda, at 920-457-2015.

Thank you so much,

Dr. Cheryl Roers, owner

Dr. Christopher Schnelle

Dr. Aaron Gruber
